

TAVISTOCK TOWN COUNCIL **STANDING ORDERS**

Introduction

Standing orders are the written rules of the local council. They are used to confirm the council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of the council but they may refer to them. A local council must have standing orders for the procurement of contracts.

Meetings of full council, councillors, the Responsible Financial Officer and Proper Officer are subject to many statutory requirements. The council should have standing orders to confirm those statutory requirements. The council should have standing orders to control the number, place, quorum, notices and other procedures for committee and sub-committee meetings because these are subject to fewer statutory requirements. If it does not, committees and sub-committees may adopt their own standing orders.

Standing orders that are in bold type contain statutory requirements. For convenience, the word "councillor" is used in these standing orders and includes a non-councillor with or without voting rights unless otherwise stated.

These standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the Responsible Financial Officer and are separately adopted by the council.
