Subject: Dartmoor National Park - Local List Public Consultation

Good afternoon,

Local Planning Authorities are required to publish a list of information they need to “validate” planning applications they receive. This validation list is made up of the ‘national requirements’, including the application form, the fee, certificates etc and secondly, more specific local validation requirements known as the “Local List”.

We must review the “Local List” every two years. As we have just adopted our new Local Plan in December 2021, which brings in a number of new areas of policy it is a good time for us to update our Local List.

A public consultation will run for six weeks from 26 January until the 10 March 2022. All comments will be considered and changes to the validation list will be made, where appropriate before it is adopted.

Please go to <https://www.dartmoor.gov.uk/about-us/how-we-work/current-consultations> and fill in the online comments form. Please do not reply to this email or reply via another email address you may have for the authority, only comments made through the website will be considered, Thank you.

Kind regards

Tracy Simmons

Senior Planning Administration Officer
