West Devon
Borough Council

Dear Tree Warden,

Request for a TPO - Ref: RP/434233

Subject: West Devon Borough Council Parish of No. 1080 Tree Preservation Order 2023 2 Glanville Road, Tavistock, PL19 0EA

Please note that the above Order was confirmed without modification on 29th August 2023.

The reasons for confirming the Order are:-

- The subject trees are becoming increasingly prominent sylvan features within the Conservation Area and as such their removal or significant pruning would be harmful to the character and appearance of the area.
- In the interests of protecting the contributions made by T1 and T2 to the sylvan character of the area.
- No professionally prepared evidence by a qualified structural engineer or similar discipline supports the notification. The noted bulge is circa 3-4m below the area where roots will grow to a size large enough to be likely to displace the wall. Such evidence is necessary to allow works upon trees of significant amenity value whose removal would be harmful to the amenities of the area.

Yours faithfully
