Brilliant covered market with a huge range of things to buy - I can spend a good hour browsing. Big selection of DVDs at good prices and fantastic crafty stuff, the only reason I limit what I buy is I'd never get it all on the train home otherwise! Stallholders are friendly but not in your face which is a definite plus.

Been here many times and always impressed with the amount of things on offer. From antiques to modern plastic toys and clothes to cakes. Definitely worth visiting if in the area. Prices are ok too, depending what you are looking for. Can get busy so if you are in a wheelchair or have a buggy, you may need to be patient getting around.
