PMB recommended that meaningful discussions ed as a matter of priority to establish whether al for a collaborative scheme, either to ensure the life of the THI or to enable funds to be reother benefical public realm scheme that could n the same time scale. oostive meeting was held with Highways Officers, and SDDC's Hstoric Environment Specialist at

eed that the Neighbourhood Highways Manager ase for DCC capital funding for a scheme that ig could include the following: of all concrete block carriageway surfacing with

ion of new courtesy crossings at North, Market Street junctions using York stone; //improvement (where possible) of parking and

of granite paving on north side of West Street ons to Russell Street

courtesy crossing at Russell Street junction .) and v.) would be considered as an aspirationa

d other TTC staff assisted with visits to the uring the Sept-16 Open Days. It is envisaged that Heritage Open Days will continue throughout the programme. In September 2017 as well as the e restored Pannier Market and possibly other TH the state of this initiative considered by the PMB HLF Monitor (1 Dec-16) it was agreed that: i)

immediately to prepare exhibition materials graphs, text and possibly running flms at a later in the Pannier Market and other public venues Idhall Visitor Centre. Jan-17- this exhibition is aration and will include information and images programme, supported projects and traditional skills.

I should further develop the outline for an ole community' approach to delivering the into a more detailed costed proposal for the next PM meeting early in 2017. This is likely a programme of presentations for community ctivity days, guided tours and visits, leading up to geant/event to be held in summer 2018. Jan-17ment of the proposal is continuing, including stakeholder groups with an interest. iii) mall informal project group with appropriate to advise on and add value to project d delivery. The requirements for this group in iosition will become clearer as the concept learly defined.

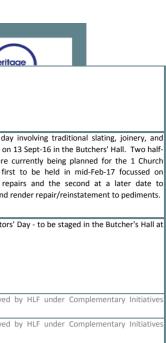

een updated with the current THI PM contact date on completion of the Butchers' Hall s was posted in w/c 24-Oct and a similar update ncement of the first third party project - 1 Church d in w/c 14-Nov. A further update on progress ne will be posted in Jan-17.

deration by the PMB on 22 Nov-16 and HLF Dec-16 based on advice from SDDC's Historic Specialist it was agreed that: the shop front design guide should be dropped ally most Tavistock shop fronts are of an gn and the THI Priority Projects will all benefit ice from conservation-accredited consultants as

be of benefit to the CA to support production of a on signage and advertisements and d be of benefit to the THI and CA to support dditional design guides relevant to conservation al materials or other aspects of Tavistock's
