5. Council Chamber Bookings

The Council Chamber was an affordable and accommodating licensed Civil Wedding Ceremony venue (see update below). Devon County Council was invoiced on a quarterly basis when it was used as a wedding venue.

As Members will be aware, I was tasked with asking Devon County Council to reconsider its

decision to remove the Council Chamber from its list of wedding venues. Please see below the response I received from Trish Harrogate (County Superintendent Registrar) to this request;

' I have taken the decision to stop offering ceremonies in the council chamber for health and safety reasons. The furniture in the chamber is extremely heavy and couples are being told that it is permissible for them to move the furniture as long as it is put back in place, inevitably they arrive in plenty of time to move it before the ceremony but once the ceremony has taken place the last thing on their minds is to move the furniture back putting the onus on my staff. We are also on an extremely tight schedule during the summer months and my staff need to leave to get to the next ceremony.

The town hall has unfortunately proven not to be a practical option for us to offer (I believe she means the Council Chamber, not Town Hall).

I hope this explains the rationale behind the decision'.

Chamber bookings (not including Council meetings), from 24th January – 6th March 2017:

- 22 non-chargeable meetings (internal meetings, or a TTC representative attending on behalf of TTC or Mayoral events)
- 1 chargeable meeting/training session
- 0 training sessions (non-chargeable)

Anyone wishing to book the Chamber for other events is asked to either telephone the Office on 01822 613529, or e-mail the Office (office@tavistock.gov.uk), to ensure the booking diary is kept up to date.

6. Property Update

There are currently no vacant residential properties.

Unit 3, East End Stores – This unit remains vacant, although we are continuing to market it. One expression of interest has been received, which is currently being considered.

Unit 5, East End Stores – This unit was let with effect from Friday 27th January 2017 on a 3-year Lease

Unit 3, Pannier Market – As Members will recall, a verbal update was given at the last Council Meeting that unfortunately the tenant who had agreed Heads of Terms for this unit backed out shortly before completion took place. We are therefore continuing the market this unit. An expression of interest had been received, but this was declined as it did not fit with the Council's Estate Management Policy.

Cattle Market – the Assignment of the Lease from Ward & Chowen to Stags, as considered at the Council Meeting on the 24th January 2017, is expected to have been completed by the time of the Meeting.

- ### **7. General including ongoing activities in the Admin Office** – the Office continues to support the organisation across the range of Civic, administrative, financial and corporate activities. A review is being undertaken of operating capacity and associated staffing matters and support provided in relation to insurance matters.

Events for Mayor's Diary: The events for January 2017 are posted on the Council's website.
