#### **190. APOLOGIES FOR ABSENCE**

There were no apologies for absence.

#### **191. CONFIRMATION OF MINUTES**

RESOLVED THAT The Minutes of the Meeting of the Development Management & Licensing Committee held on Wednesday 16<sup>th</sup> December, 2020 be confirmed as a correct record and signed by the Chairman (Appendix 1).

#### **192. DECLARATIONS OF INTEREST**

The following Declarations of Interest were made;

- Councillor G Parker Planning Application 3877/20/HHO Overdeer, Down Road, Tavistock PL19 9AG by virtue of currently working with the Architect involved with this Application;
- Councillor A Hutton Planning Application 3980/20/VAR Land adjacent to Breckland, Down Road, Tavistock PL19 9AG by virtue of owning the adjoining property

### **193. DARTMOOR NATIONAL PARK AUTHORITY (DNPA)**

Dartmoor Local Plan Examination – the initial response from the Consultation period and the questions raised by the Inspector Local Plan Examination | Dartmoor had been provided, for information only (Appendix 2).

No action was required at this time, however Councillor Parker undertook to provide ongoing monitoring of this matter.

#### **194. TOWN PLANNING ISSUES**

a) For information only – To note the South Hams & West Devon Draft Housing Strategy Consultation 2021-2026, which had a revised closing date of end of February 2021, and to which individual Town & Parish Councillors had been invited to respond.

However during the ensuing discussion it was suggested that the Council should respond as a body, rather than Councillors responding on an individual basis.

RESOLVED THAT -

- Councillor J Ellis (Vice Chairman) would bring forward a document to the next Committee Meeting for review and discussion, which he would lead; and
- all Committee members were encouraged to read through the document, prior to that Meeting
- b) Plymouth Road Development the Chairman confirmed that a response had been received to the letter he had been asked to send to the Chief Executive, and other Officers, of West Devon Borough Council as the Local Planning Authority, with regard Planning Application 3652/20/FUL (Minute No. 188b refers)

In the letter it had been suggested that an informal meeting should take place between the Officers of West Devon Borough Council, and Members of Tavistock Town Council to discuss this Application. The Chairman confirmed that a meeting date of Thursday 21<sup>st</sup> January, 2021, and between 6.30pm and 7.30pm, had been suggested.

It was agreed that all Members of Tavistock Town Council would be invited to attend, should they wish to.

It was also reported that the deadline for a response to this Application had been extended beyond the Council's next Meeting on 26<sup>th</sup> January, 2021, so a formal decision could be made at that Meeting.

Whilst the Application would be discussed later in this Committee Meeting, it would be brought forward again to the next Committee Meeting on Monday 25<sup>th</sup> January, 2021 for a recommendation to be placed before full Council the following evening.

## **195. GENERAL CORRESPONDANCE**

No items received.

## **196. URGENT BUSINESS BROUGHT FORWARD AT THE DISCRETION** OF THE CHAIRMAN

No items brought forward.

## **197. PLANNING DECISIONS and APPLICATIONS**

### a) Planning Decisions

Planning Decisions by West Devon Borough Council were attached at Appendix A. (Appendix 3).

## b) NEW Planning Applications

New Planning Applications to West Devon Borough Council. The views of the Committee were attached at Appendix B.

Councillor A Venning joined the Meeting during consideration of this Planning Application.

 Planning Application 3652/20/FUL – Land to the south of Plymouth Road, Tavistock.

During the ensuing discussion, reference was made to;

- the correspondence which Transition Tavistock had submitted in objection to the Application, which it was felt raised several important points including;
  - sustainable transport i.e. walking and cycling;
  - vehicular access;
  - safety of crossing the A386
- the increasing number of objections which had been received by the Planning Authority, which could be viewed on the website, especially with regard;
  - safe access onto the A386 and the number of junctions which would be created onto that busy road;
  - the possibility of having all access roads feeding into the roundabout instead

concerns were also raised, as previously, with regard;

• that the business use classification on the site was B1, however the business use being brought forward was within the care

facility, but this would be C2. There were also considerably fewer jobs being created than previously agreed. Therefore, the Application was in conflict with TTV17 and SPT4 of the Development Plan, so should be refused on that basis;

- the bulk, height and mass of the proposed extra care facility which was being modelled on a facility delivered in Totnes. It was felt that such a structure on the edge of a small settlement which was also a World Heritage Site, would have a negative visual impact. This would be contrary to DEV10 and TTV17 of the Joint Local Plan;
- that only 24 parking spaces were being planned at the care facility which would need to accommodate the needs of residents, staff, visitors, volunteers and members of the public who might be using the facilities being offered, was felt to be wholly insufficient. The Totnes facility benefited from having two car parks nearby, which would not be the case in Tavistock. There were also concerns that overflow parking would take place in nearby residential areas;
- that the developer would no longer be liable for delivering the employment requirements linked to the proposal if it sold the care facility portion of the site to West Devon Borough Council;
- no affordable housing was being brought forward with this development, apart from that which may form part of the extra care facility, if it is delivered, because as yet no mechanism is in place to ensure this. This was contrary to Policy DEV8 of the Joint Local Plan. In a development of this size, there should be a provision for at least 13 affordable units;
- that Devon County Council had not requested any contribution towards additional primary education places for this development, despite requiring a contribution from developers of a nearby site to accommodate children from that site. This is contrary to Joint Local Plan Policy TTV17;
- the lack of a funding request as a contribution towards the provision of local bus transport (the 89 bus), again contrary to TTV17.

Members were encouraged to review the Planning Application in detail, prior to the Meetings planned for the 21<sup>st</sup> January and 25<sup>th</sup> January, 2021.

It was suggested that Members of Tavistock Town Council might benefit from a presentation from Alex Rehaag of West Devon Borough Council, with regard Affordable Housing to help understand allocations etc. <u>Noted That</u> the Assistant to the Town Clerk undertook to contact the Affordable Housing Officer and make the necessary arrangements.

RESOLVED THAT a decision on this Planning Application would be deferred until the next Committee Meeting, scheduled for Monday 25<sup>th</sup> January, 2021 which would follow the informal meeting with WDBC Officers on 21<sup>st</sup> January, 2021.

RECOMMENDED THAT the views of the Town Council, as listed in Appendix B, be passed to the Local Planning Authority for consideration. (Appendix 4).

#### **198. NEXT MEETING**

The next Meeting of the Development Management & Licensing Committee to be held on Monday 25<sup>th</sup> January, 2021 at 5.00pm (Please note change of day).

The Meeting closed at 6.55pm

Signed:

Dated: CHAIRMAN
