275. DARTMOOR NATIONAL PARK AUTHORITY (DNPA)

- a) Received for information only – the adoption of the Dartmoor Local Plan 2018-2036 was noted (Appendix 2).

276. TOWN PLANNING ISSUES

- a) Received for information only – the following Notices of Intent to install electronic communications apparatus, by Airband Community Internet Limited, in the following locations were noted (Appendix 3)
- i. Boughthayes Tavistock PL19 8ED, Maudlins Lane Tavistock PL19 8FH and Bolt House Close Tavistock PL19 8LN;

 - iii. Anderton Lane Tavistock PL19 9DQ and Plymouth Road Tavistock PL19 9FT;
 - iv. Texaco, 75 Plymouth Road, Tavistock PL19 8BZ
- b) S106 Monies – the Committee received feedback as provided by West Devon Borough Council, with regard a particular allocation of S106 monies, for use in Tavistock.

It was reported that;

- these S106 monies had previously been allocated for various leisure facilities around the Borough. A query had been raised as to whether or not any of this funding was still available, but it had been confirmed by the Borough Council that all this funding had been allocated. It had however been confirmed that future funding might become available, the Borough Council would keep the Town Council updated on this;
- following an additional query with how previous S106 funds had been allocated, it was confirmed that 'older' S106 agreements had tended to be loosely worded and not tied to specific projects, typically they would however be tied to spend on projects in a parish/town.

277. GENERAL CORRESPONDANCE

No items received.

278. NEIGHBOURHOOD DEVELOPMENT PLANNING (NDP)

- a) The Notes of the NDP Steering Group Meeting held on 8th December, 2021 were received and noted (Appendix 4);
- b) The Chairman of the NDP Steering Group reported that;
- the next Meeting of the Group would take place on Wednesday 12th January 2022, and would be 'hybrid' allowing members of the Steering Group to attend in person, with members of the public attending virtually;

- feedback was awaited from partners which, when received, would allow the community questionnaire to be drafted and issued. It was hoped this would be by mid-February, however due to COVID concerns had been raised with regard the viability of holding meaningful consultation events, so the date may be deferred to end February/beginning of March;
- the questionnaire would be issued both online, and in paper form delivered to all households in the Parish, in an effort to engage with as many sectors of residents as possible.

279. URGENT BUSINESS BROUGHT FORWARD AT THE DISCRETION OF THE CHAIRMAN

The following item was taken with the consent of the Chairman in view of the timescales involved.

The Committee reviewed in detail the background to and recent developments in connection with Planning Application No. 3652/20/FUL, associated issues, prospective options and related correspondence.

In view of the importance attaching to the Application and its final form it was agreed to seek early clarification on certain points from the Local Planning Authority prior to the next Meeting of the Town Council, to help inform its deliberations on how best to proceed.
