### **"Dogs welcome"**

5 of 5 stars Reviewed 1 week ago via mobile

*This is a market within a building that we have visited over the years and keep coming back. You can take your dog inside, ours used to try and help himself from the pet stall where products were at nose level. Great selection of food, antiques, collectors items, clock repairs a cafe and much more. All under cover in the town centre with other stalls outside. Well worth a visit even if you do not buy anything. I had to buy lots! Plenty of car parking choice.*

#### **"Well established indoor market"**

5 of 5 stars Reviewed 1 week ago

Love this place, it's been established for years and has a wide variety of stalls from crafts to pet supplies to bags and DIY. Great position in the town with local shops surrounding the market and the main street only yards away. All level so wheelchair, pram and dog friendly.

## **Events**

Our Road to Rio event was a great success with lots of children completing the trail and a great effort from the traders with their costumes.

Tavi Food Fest was a well attended and successful event on the Saturday, however the Sunday was some what of a washout with rain for most of the day.

## **Coach Drivers Initiative**

A few new coach drivers have visited Tavistock in the past month, all had said they found out about the initiative through the coach drivers pack.
